Title: Journal

Author: Gabriel Piete

---

Our income here struggles  
since Lord British has  
invited the citizens to  
flee to Trammel, and I  
have too rich of taste  
to squander my talents  
here any further. I have  
put in my resignation and  
will be moving to Trammel  
myself. Good luck to  
whosoever replaces me.  
They are going to need  
it.

Gabriel
